### BOVI-MYCIN POWDER

NO SCRIPT REQUIRED! Hoof Solutions groundbreaking Bovi-Mycin Powder is the industry's solution to scripted topical antibiotics for digital dermatitis. It can be applied using the same method and is much less expensive and extremely effective. Mix with H2O to create a paste! Side by side tests have proven Bovi-Mycin Powder to work just as effectively or better than scripted antibiotics in some cases.

10lb Pail: HS-BMP-10 | 40oz Jar: HS-BMP-40

### BOVI-MYCIN PASTE

Made with multiple certified organic ingredients such as Turmeric Powder, Tea Tree Oil, and Peppermint oil. With a perfect blend that includes certified organic Copper Sulfate, this waterproof blend absorbs into wounds to continuously fight microorganisms that cause bacterial infections that result in lameness. Bovi-Mycin Paste stops bleeding abscesses and strengthens the hooves to prevent future damage due to weather, dairy conditions and abrasive surfaces.

7lb Pail: HS-BM-7 | 24oz Jar: HS-BM-24

### COPPER WART SPRAY

Copper Wart Spray is formulated to work on contact for direct treatment of Digital Dermatitis and Hoof Rot. This product is blended with natural ingredients that are known to reduce inflammation, induce tissue healing, and clear the interdigital claw and hoof of harmful bacteria and microorganisms that cause infections. Fortified with Copper to help harden the hoof.

16oz Spray: HS-CWS-16 | 32oz Spray: HS-CWS-32

### GOLD SERIES WART SPRAY

Our original wart spray scientifically formulated to work on contact. It is considered as the most effective Digital Dermatitis topical treatment on the market today! This product is blended with natural ingredients that are known to reduce inflammation, induce tissue healing, and clear the interdigital claw and hoof of harmful bacteria and microorganisms that cause infections. Get instant results on most hairy wart cases. One bottle can treat more than 400 hooves.

16oz Spray: HS-WS-16 | 32oz Wart Spray: HS-WS-32

### SAFE WRAPS

The Bovine industries fastest growing Hoof wrap brand in the US. They are waterproof, flexible breathable and easy to tear. Features "Tear and Stick" technology made with a high-quality material that won't absorb moisture and does not constrict. Made with natural rubber latex. 3 colors to choose from. Dimensions: 4 inches wide and 15 feet long stretched. Individually wrapped with 100 per case.

Red: HT-SWR4-1 | Green: HT-SWG4-1 | Pink: HT-SWP4-1

### SAFE BLOCKS

Our Safe Blocks come in two materials. One is the Next Gen flexible rubber that provides ultimate comfort and the other is our Firm composite material that will still provide more comfort than traditional wood blocks but will be stronger and last longer than the rubber blocks. The Firm blocks are generally used for larger breeds.

Rubber 50/case: HT-SBRNG-50 | Firm 50/case: HT-SBFXL-50

### SAFE BLOCK WOOD

Our wood blocks are made from durable hardwood from the mahogany breed. It is used to shift weight off lame of infected hooves, allowing cows to heal faster and walk with better mobility. Anti-Slip design and cost effective. Available in four size to accommodate any size hoof. 100 per case.

Sm: HS-M58-1 | Med: HS-MD34-1  
Lg: HT-LG78-1 | XL: HT-XL78-1

### SUPREME UDDER BALM

Our coconut oil infused udder balm is made with all-natural ingredients enriched with Tea Tree Oil, Aloe Vera, Vitamin E, Hemp Seed Oil and Turmeric. This retains moisture in the skin cells and helps with chapped teats and any dry and rashed areas of the cow and other farm animals.

4.5lb Tub HS-UB-5 | 24oz Jar HH-UB-24

## SUPREME COOLING BALM

Blended with the same amazing products that our original balm is made. But we have taken additional steps to the process by integrating Menthol and pure Organic Peppermint Oil. This helps to soothe and increase milk flow and circulation.

4.5lb Pail HH-UBC-5 | 24oz HH-UBC-24

## BOVI-BATH POWDERED FOOT BATH

The newest and most effective powdered foot bath on the market! It is considered to be the most effective powdered foot bath concentrate available. Just one 2 lb scoop added to a 50-gallon foot bath will treat 300 cows. At less than 5 cents per cow, each 36-pound bucket can treat 5,400 cows. Recommended use is 5 times per week.

36lb Pail HS-BvBa-36 | Bulk – Call

## FOOT BATH CONCENTRATES 1:50 RATIO

**BIO BLEND CONCENTRATE** is a highly concentrated anti-bacterial footbath treatment. It eliminates hoof rot and depletes the worst cases of digital dermatitis and attacks microorganisms that cause multiple bacterial infections.

**POWER PLUS** is our Copper Blend! It offers all the same amazing benefits as the Bio Blend but has been reformulated to have Copper Sulfate to help harden the hooves to help prevent abscesses. It will also eliminate hoof rot as well as treat and control digital dermatitis and other harmful bacteria infections.

Available in 1ga, 5ga, 55ga, 275ga Totes

## COPPER SULFATE

Our organic Copper Sulfate can be used as a dietary supplement in animal feeds. It can also be used in foot baths to help fight fungus and harden hooves. As a fungicide, it can be used as an ingredient to control plant diseases.
