

HOOF SOLUTIONS®

Product List

Bovi-Mycin® Powder NO SCRIPT REQUIRED! Hoof Solutions® groundbreaking Bovi-Mycin® Powder is the industry's solution to scripted topical antibiotics for warts. It can be applied using the same method and is much less expensive and extremely effective. Mix with H2O to create a paste! Side by side tests have proven Bovi-Mycin® Powder to work just as effectively or better than scripted antibiotics in some cases.

Available In: 10lb Pail: HS-BMP-10 | 40oz Jar: HS-BMP-40

Bovi-Mycin® Paste is made with multiple certified organic ingredients such as Turmeric Powder, Tea Tree Oil, and Peppermint oil. With a perfect blend that includes certified organic Copper Sulfate, this waterproof blend absorbs into wounds to continuously fight microorganisms that cause bacterial infections that result in lameness. Bovi-Mycin® Paste stops bleeding abscesses and strengthens the hooves to prevent future damage due to weather, dairy conditions and abrasive surfaces.

Available In: 7lb Pail: HS-BM-7 | 24oz Jar: HS-BM-24

Copper Wart Spray is formulated to work on contact for direct treatment of Digital Dermatitis and Hoof Rot.
